By devoting yourselves with all your might,

The END

Hello everybody, I'm Takami, this can be considered my first BL work.

BUT!

Since it's my first work, the title is still not very good, sorry!.

Crap

I've messed it up!

'Postscript'

Hmm...

When I decided to start drawing, I bought a 40cm ruler first.

Huh? It's too small

NOVICE

This is totally what a beginner would do, and I still added LOVE to the title

In the end, it became a title that even I don't dare to say it out loud.

Shouldn't have done it in the first place...

KAFE (cut off)

Also, the first time I invited a friend to help, it was a little scary

This is so difficult. The lines are so thin. I don't know how to do it!

SORRY, I KNOW IT'S DIFFICULT LET ME DO IT THEN

CONFUSED

NO DETERMINATION

And I lost to temptation.

Wanna go see horses this Sunday?

EH? YOU MEAN AT A RACING COURSE?

although I really wanna go...

Impossible

The next time anybody asks me to go out, I'll still give in

No I was referring to a wrestling match

WHAT? I WANNA GO!

I love Kemo!

Postscript

Thanks to my editor who listens to my every selfish request, also my friends who came to help me. Thank you all very much!

bye bye.

There are a lot of little happenings, but I was happy drawing it.

Just like that I've finished a volume.
